# Applying for a Queen's Award in 2023

During these challenging times, it is important that we continue to celebrate the success of outstanding British businesses.

We want to ensure that businesses can still apply for a Queen's Award, despite factors which could have prevented them from doing as well as they had originally predicted for 2021/22.

## 2023 round:

- Eligibility criteria remains unchanged except for Promoting Opportunity
- Sustainable Development and Promoting Opportunity applicants are no longer required to provide independent verified figures
- Applicants can manually input financial years – enabling them to wind back a year if their last financial year has been affected by Covid-19, storms, or flooding.
- Greater discretion granted to assessors to evaluate commercial success and challenges by uncontrollable external factors. They will also take into account sector specific effects of the pandemic and will not compare one application against another. It is important for us to still see the trends and patterns of each business' commercial success, to see how well they performed before these challenging times.
